Good Morning!

Merriam-Webster defines complacency as, "feeling or showing satisfaction and lack of worry or caution." We often think of complacency as a spiritual condition that reveals our need for revival. But, did you know that complacency can result following revival? With a renewed sense of closeness to God, we can become 'satisfied.' If we fail to remain alert and sober-minded, the Apostle Peter warns us that we can become the devil's lunch!

For those who are our guests today, in behalf of Roseland Park Baptist Church, you are welcome here! Of all of the places you could be, we are so glad you have chosen to spend this time with us. If you would like to know how to become part of the family of God, or even how to become part of the Roseland Park family, I would love to discuss it with you.
