Good Morning!

According to the *Biographical Bible, 2nd Edition*, "there are 3,237 Bible characters named in the Scriptures." I promise that we are not going to look at each one in this *People of the Bible* sermon series! But, in today's final message in this series, we are going to consider a large group of unnamed people found in the Gospels who figured very prominently among Jesus' followers. This group is often identified as just "the crowd" and appears to have numbered in the thousands. What type of followers were these? Were they trending followers or true followers? That's a question that is still relevant today for the crowds who say they are followers of Jesus.

For those who are our guests today, in behalf of Roseland Park Baptist Church, you are welcome here! Of all of the places you could be, we are so glad you have chosen to spend this time with us. If you would like to know how to become part of the family of God, or even how to become part of the Roseland Park family, I would love to discuss it with you.

There is a Name I Love to Hear!

Dan
