Good Morning!

Many say that letter writing is a lost art today. In a time not long ago, a time before cell phones, email, Twitter, and other forms of digital communication, letters and cards were the primary means of everyday communication. Of course, telephones have been around for a while, but phones were not always convenient or available, and long distance rates were cost prohibitive for all but local calls.

In Paul's day, more than 1800 years before telephones were invented, letters and word-of-mouth were the only means of communication. Our New Testament book of Ephesians began as a letter written by Paul to the church at Ephesus. And, what a letter it was! Someone has called Ephesians "the most sublime, the most profound, the most advanced and final utterance of St. Paul's Gospel to the Gentiles."

Using the 2023 January Bible Study as a basis, we will look at this wonderful letter for the next few weeks as we are reminded of who we are in Christ.

For those who are our guests today, in behalf of Roseland Park Baptist Church, you are welcome here! Of all of the places you could be, we are so glad you have chosen to spend this time with us. If you would like to know how to become part of the family of God, or even how to become part of the Roseland Park family, I would love to discuss it with you.

*Praise God from Whom All Blessings Flow!*
