“Christian Worldview and the World Wide Web” with Dr. Tommy Doughty

How should Christians respond to the prevalence of social media and internet usage in our culture today? Is there a proper way for Christians to engage the World Wide Web without losing our witness? In this workshop, Dr. Tommy Doughty will share structures and statistics explaining how the internet works and how it is influencing people of all generations. Attention will be given to the dangers of social media and device usage, but a positive approach to life online will also be given from a Christian perspective.

**For Sunday, October 8**

And about the ninth hour Jesus cried out with a loud voice, saying, “Eli, Eli, lama sabachthani?” that is, “My God, My God, why have You forsaken Me?”.

- **Matthew 27:46**
